How to use these ideas

These ideas are deliberately flexible. The skill is in making them specific to your niche — that's where AI helps.

Make any idea specific

GENERIC IDEA	MADE SPECIFIC
Common Mistake, Explained	"The watering mistake that kills most beginner houseplants"
The 3-Step Starter Plan	"How to start freelance copywriting in 3 steps — with no portfolio"
Tools I Use Every Day	"The 4 apps I use to run my bakery's orders"
Myth vs Reality	"Myth: you need to stretch before every run"

QUICK ADAPTATION PROMPT

Paste any idea into your AI tool with this prompt: "Adapt this content idea for **[NICHE]** and **[TARGET AUDIENCE]**: **[IDEA]**. Give me 5 specific versions with a working title and hook for each."
